

Volunteers

are needed for the

MASTERPIECE ART PROGRAM

This is a **fun and easy** way to be involved in your child's classroom. Artistic ability is not required and training sessions are available on **Wednesday, September 11** and **Wednesday, October 2, 2019, 7 – 8:30pm** at the downtown Public Library, Jan-Romero Stevens Community Room.

We have a great selection of prints featuring artists from all over the world. Each print comes with a packet containing information about the artist, the artwork, and activities you can do with the class. Materials are provided. It is once a month for 1-2 hours and **the kids love it!!**

Please contact Audrey Cullen 213-5421 or ascullen1222@gmail.com who will provide you with the name and contact information for your School Coordinator.
